

3 Wheel Extendable Pot Mover

Plant Support / Plant Stands

- Reduces heavy lifting
- Extendable legs, 27cm to 37cm
- Locking wheel
- Securely fits most pots

MEDIUM DUTY 3 WHEEL EXTENDABLE POT MOVER

Whites Three-wheel Extendable Pot Mover features plastic castor design with powder coated finish. It allows you to easily and safely reposition pot plants in your backyard or balcony without heavy lifting.

Medium duty 75kg capacity and extendable legs accommodate large and small pots and locking wheel secures it in place.

Code	Product Description	Weight & Capacity
18180	3 Wheel Extendable Pot Mover	0.63kg & 75kg

Handy Hints:

- When placing your pot, ensure that the load is evenly spread over the wheels
- When using the maximum length of the adjustable legs, ensure that all legs are extended evenly so the weight of the pot is above all wheels.
