FIRE RETARDANT

Whites Foam Gutter Strip is a fire retardant and UV stabilised gutter protection strip designed to keep leaves and debris out of gutters whilst letting water flow through.

Installs easily in minutes, simply drop them into your gutter and they are ready to go to work for you. Similarly, it is also easy to remove and clean.

With its 110mm width and 900mm length, it suits standard gutter profiles and can be cut to size.

Code	Product Description	Height
