

Grip & Grow Tree Tie

Plant Support / Grip & Grow

- Strong, reusable & flexible
- No knots and no tying
- Ideal for garden, home & craft use

TREE TIE FOR PLANT SUPPORT

Whites Grip & Grow Tree Tie is an easy to apply tree support. Simply wrap around the tree and supporting stake, then overlap the tie to secure in place.

The soft PP and Nylon materials also assist you in avoiding damage to tree trunks. Ideal for use in your garden, home or craft use, it's a quick and easy to use product. Available in Green to easily blend into your garden.
