

Interlocking Edging Panel

Garden Edging / Edging Panels

- Decorative edging for garden beds and pathways
- Quick and easy to install
- Beautifies and protects your garden
- Available in Black or Green

INTERLOCKING DECORATIVE WIRE PANELS

Whites Interlocking Edging Panel is a decorative, modular panel ideal for flower beds along paths, driveways and in backyards. The wire loop design is a classic favourite.

Easy to install:

- simply push the steel legs firmly into the ground - no digging required
- the modular built-in hook system means you can add extra panels in straight runs or at an angle
