IDEAL GROWING ENVIRONMENT FOR PLANTS

Whites Mesh Cover Bug n Shade filters the sun's rays and creates an ideal growing environment for plants and vegetables, at the same time blocks out insects.

Measuring 75cm high x 70cm wide, it features a shade mesh cover at the top to protect shrubs and plants from direct sunlight, burning or drying out and allows ventilation.

It's quick to setup and stores flat for re-use.

The kit includes:

- 4 ground stakes
- 1 mesh cover
- 2 dome cover poles
