

Portable Balcony Greenhouse

Outdoor Essentials / Pest Deterrents

- Protects against weather & pests
- Extend your growing season
- Quick & easy to install
- Easy zip access
- Available for special order at your local Bunnings stores

EXTEND YOUR GROWING SEASON

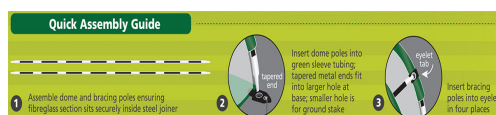

Whites Portable Balcony Greenhouse protects your plants against weather and pests and extends your growing season. Ideal for most plants, fruits and vegetables.

The UV-resistant PVC transparent cover captures the sun's rays, whilst the easy zip access on both sides allow for ventilation.

Measuring 1.9m high x 0.8m deep x 1.7m wide, it's quick and easy to install and compactly packs away in the off-season.

The kit includes:

- 1 x UV-resistant PVC clear cover
- 4 x 2-section bracing poles
- 4 x ground stakes
- 2 x 8-section dome poles
