Screw-in Drop Latch

Fencing Solutions / Gates & Fittings

• Gate Latch set - for locking gates
• Suits large & small gates
• 12mm latch & catch, with chain

DROP LATCH AND CATCH

Whites Screw-in Drop Latch gate fitting is a traditional and convenient way to secure large and small gates. Simply thread the chain through the gate and drop the latch pin into the catch to secure.

Featuring a screw-in 12mm latch and catch with chain. Also available in Ring Latch style.
