

Turf Pegs

Outdoor Essentials / Landscaper's Materials

- Colour-matched to turf
- Holds turf firmly in place
- Strong, durable, long-lasting
- Easy to install – chisel point pierces cleanly

SECURES SYNTHETIC TURF

Whites Turf Pegs features strong steel pins for securing all types of landscaping fabric, including synthetic turf. It's easy to install and drive in via the sharp chiseled point, which provide a clean pierce. These Pegs should be used every 50cm for an effective hold. The Galvanised finish is coated with Green PVC coating to help blend in with Green fabrics.

The Galvanised finish is coated with Green PVC coating to help blend in with Green fabrics.

It comes in handy size of 20 per pack or bulk pack of 100.
