

Ultrapost Hot Dip Galvanised Fencing Solutions / Ultraposts

- Made from high grade steel
- Cost-effective alternative for most applications
- Hot dip galvanised for maximum corrosion resistance
- Quality checked during manufacturing

STRONG AND LIGHTWEIGHT POST

Whites Ultrapost fence posts are built to endure tough Australian conditions. A strong and lightweight fencing solution, constructed from high grade steel and hot dip galvanised for maximum corrosion resistance.

All holes are pre-drilled for your convenience to ensure wire alignment and superior results. Perfect if you are looking to build a fence to a budget and suits most hobby rural, industrial and DIY hardware applications.
